■ Home

Aloha and Welcome to the Pineapple Inn Maui, an affordable luxury vacation rental property. We are located on the Sunny South Shore of Maui directly above the exclusive Wailea Beach Resort community which features miles of sandy beaches, excellent shopping, and world class restaurants and resorts. There are six golf courses conveniently located within 4 miles.

Our Inn features four very private and quiet guest rooms. The upper rooms have full ocean and sunset views, while our lower rooms have partial ocean and beautiful garden views. From your large private lanai you can eat your breakfast while watching the whales breaching in the warm waters of the Pacific or watch beautiful Maui sunsets while enjoying a glass of wine. All rooms feature private bathrooms with oversized tiled showers, kitchenettes, air conditioning, cable TV, VCR, and high-speed Internet access. They also overlook the beautiful pool and hot tub area with manicured lawns and gardens full of flowering shrubs and tropical fruits.

The Pineapple Inn Maui is featured in Frommers Hawaii 2006.
